

Built in 1902, this historic 46-room luxury hotel commands a beautiful view of the Straits of Mackinac. Owned and operated by the McIntire family since 1954, the Hotel Iroquois has received acclaim in Condé Nast Traveler magazine's Gold List and Travel & Leisure magazine's top 100 Hotels of the World, and is a multiple Conde Nast Gold List and Travel & Leisure Top 500 recipient. Hotel Iroquois was awarded a perfect 100 location points by Condé Nast Traveler magazine for its beautiful waterfront setting. The McIntire's attention to detail and renowned sense of beauty carry through in every aspect of the hotel, restaurant, and, of course, the gardens. Proven Winners is their exclusive choice for annuals, perennials, and shrubs because of their vibrant color and exceptional performance.

*"The Proven Winners® Signature Garden Program was born through the evolution of the garden itself at the Hotel Iroquois on Mackinac Island in Michigan. The gardens at the Iroquois have changed so much over the last ten years since I started designing and caring for them. The recent change, using all Proven Winners plants, came about because every year the gardens improved as I added more and more Proven Winners plant material to the designs. So it made sense to try the next step – design a garden using 100% Proven Winners plant material. Through my relationship with the team at Proven Winners, I was able to access the amazing variety of Proven Winners plants with the confidence that they would perform exceptionally.*

*The idea of a Proven Winners Signature Garden developed when I witnessed how many people expressed awe at these gardens throughout the summer. And I realized what a great opportunity it would be for the Iroquois to partner*

*with Proven Winners and display these plants to hotel guests and island visitors. I also realized that the notoriety among gardeners to be a Proven Winners Signature Garden would excite and impress the Iroquois clientele and attract future clients as well. With a firmly established and recognized brand throughout the country, the relationship between the Hotel Iroquois and Proven Winners began to grow and the Signature Garden concept was born. I'm convinced that the Proven Winners Signature Garden program is a unique concept unlike any other."*

**Jack Barnwell**

*Owner of Barnwell Landscape and Garden Services  
A Mackinac Island based company*

When you choose plants for your garden, you want success that you can count on all season. You want beautiful, vibrant blooms and strong, healthy plants. Proven Winners plants deliver on all counts. They're bred for garden performance and selected to be Proven Winners only after they have passed our rigorous trialing and testing standards. That's what puts them on top. Your garden will be top-notch, too, when you choose from these popular plants, recommended year after year, season after season, by retailers, growers, and gardeners – just like you.

The #1 Plant Brand®

*A Proven Winners Signature Garden  
Since 2010*

# HOTEL IROQUOIS

*A Proven Winners Signature Garden*

A profusion of fragrant flowers makes Hotel Iroquois' exquisite Victorian-style gardens one of Mackinac Island's finest, most lovingly tended landscapes. Featuring Proven Winners® plants exclusively, the gardens boast an eye-popping array of annuals, perennials and shrubs chosen for their vibrant color and suitability for sun and shade.

**Supertunia® Bordeaux™ Petunia**  
One of the most popular petunias ever. Masses of color all season without deadheading. Zones 10-11. Part sun-sun. Height: 6"-12".

**Timeless™ Fire Pelargonium**  
Vibrant red blossoms appear on cascading plants all summer. Zones 9-11. Sun. Height: 12"-18".

**Stratosphere™ White Gaura**  
Lovely in landscapes and as a thriller in containers, this perennial blooms nonstop all season on wispy stems. Zones 6-11. Sun. Height: 12"-24".

**Lemon Coral® Sedum**  
Durable, drought tolerant, colorful succulent for containers and landscapes. Very easy to grow. Zones 7-11. Part sun to sun. Height: 3"-10".

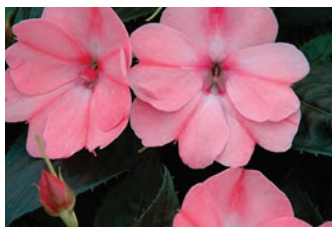

**Diamond Frost® Euphorbia**  
Tiny, white flowers dance above this airy textured, extremely heat and drought tolerant plant all season. Zones 10-11. Part sun-sun. Height: 12"-18".

**Lucia® Ultraviolet™ Lobelia**  
Vivid violet purple flowers appear prolifically. Excellent in containers and landscapes. Zones 9-11. Part sun-sun. Height: 6"-12".

**Amazing Daisies® Daisy May® Leucanthemum**  
A fresh and fabulous reblooming daisy bearing large, bright white blossoms in summer. Easy to grow. Zones 5-9. Sun. Height: 12"-24".

**SunPatiens® Compact Blush Pink Impatiens**  
Soft pink flowers cover this vigorous, sun tolerant, mounded annual from spring into fall. Zones 10-11. Part sun-sun. Height: 16"-30".

**Rockin'® Fuchsia Salvia**  
Fuchsia blossoms on robust plants attract hummingbirds and butterflies all season. Zones 9-11. Part sun-sun. Height: 24"-36".

**Graceful Grasses® Prince Tut™ Cyperus**  
Grows quickly in water and landscapes. Finely textured plumes appear all season. Zones 10-11. Part sun to sun. Height: 18"-30".

**Chocolate Drop® Coleus**  
This spreading, trailing coleus features deep burgundy leaves with lime edges. Zones 10-11. Sun-shade. Height: 14"-20".

**Supertunia® Trailing Blue Veined Petunia**  
Long trailing or spreading stems are lined with plentiful blossoms all season. Zones 10-11. Part sun-sun. Height: 4"-8".

**Endless™ Illumination Browallia**  
This shade, heat and moisture loving annual with brilliant blue flowers is beautiful when planted en masse. Zones 9-11. Part shade-shade. Height: 12"-16".

**Graceful Grasses® Fireworks® Pennisetum**  
This popular red and green striped grass with a fountain-like shape adds height and texture to containers and landscapes. Zones 9-11. Sun. Height: 24"-30".

**Catalina® Grape-o-Licious™ Torenia**  
This versatile annual blooms in sun or shade all season. Use it as a bedding plant in landscapes or as a filler in containers. Zones 10-11. Sun-shade. Height: 8"-12".
