

Established in 1895, Pinehurst Resort & Country Club is a 2,200-acre property featuring nine golf courses—including famed Pinehurst No. 2 - an award-winning spa, tennis, and activities for the entire family.

Pinehurst Resort is home to three historic hotels, including The Carolina, which opened on New Year's Eve in 1901. Known as "The Queen of the South" and the "White House of Golf," The Carolina exudes the spirit of Pinehurst with its signature copper cupola, its sweeping verandas and meticulous lawns, including the West Lawn, home to the Proven Winners Signature Garden. When it was built, The Carolina Hotel was the largest wood-frame hotel east of the Mississippi River.

Known for its distinguished hospitality and timeless charm and elegance, The Carolina Hotel's legacy continues with its standing on the National Register of Historic Places.

Pinehurst's roots and success lie in another form of horticulture – that which allows the game of golf to prosper. Widely known as the Cradle of American golf, Pinehurst has hosted more single golf championships than any other site in America, including the U.S. Open, U.S. Women's Open, PGA Championship, the Ryder Cup, PGA TOUR Championship and many others. In 2024, it will again serve as the site for the U.S. Open.

"We at Pinehurst are honored that The Carolina Hotel's West Lawn has been designated as the site of the next Proven Winners® Signature Garden. The natural beauty of the North Carolina Sandhills has always been evident at Pinehurst, and we look forward to collaborating with Proven Winners® to present a garden worthy of that beauty to our guests and gardening enthusiasts in the years to come."

-Tom Pashley, Pinehurst President

"I've been extremely excited to continue to work with Proven Winners®. They have been a valuable resource to introducing new plants to our flower design programs, and this garden will allow Pinehurst, as a destination

resort, to show how beautiful garden spaces can be with such artful dedication and care."

-Chris Jones, Grounds Superintendent, Pinehurst Resort
